

**REMARKS**

The Office Action dated February 5, 2005 has been carefully studied. Claims 1 and 5 have been amended. Claims 2-4 have been deleted. Reconsideration of this application is respectfully requested.

The disclosure has been objected to for some informalities. Nevertheless, the Examiner has kindly pointed out that Claims 4 and 5 would be allowable if rewritten.

Claim 1 has been amended to include the subject matter recognized by Examiner Kaufman to be patentable and is believed to be in condition for allowance. It is then respectfully submitted that Claims 1 and 5-18 existing in this application are in condition for allowance.

In view of the foregoing amendments, it is believed that the application is now in condition for allowance and such action is respectfully requested. If any points remain in issue which the Examiner feels could best be resolved by either a personal or telephone interview, he is urged to contact Applicant's attorney at the exchange listed below.

*This Amendment was prepared by Applicant and is being submitted without substantive change by the undersigned Attorney.*

Respectfully submitted,

Jun Y. Lee
